

About Us: YMCA Camp Weaver is a summer camp located in SE Greensboro, 27406, about 15 minutes from downtown Greensboro. We run Day and Overnight camps during the summer and host a variety of conferences, retreats and field trips in the Fall-Spring. Since we are a part of the YMCA of Greensboro organization any volunteer associated with our agency will be expected to uphold the values of the YMCA of Greensboro (caring, honesty, respect and responsibility). Camp Weaver's main focus is on Youth Development, nurturing the potential of every child and teen. The mission of the YMCA of Greensboro is to put Judeo-Christian principles into practice through programs that build a healthy spirit, mind, and body for all.

Volunteer Opportunities

- Marketing – We are always seeking ways to further our reach in the community. Do you have social media skills? Do you have ideas on how to spread the word of what a local nonprofit has to offer? Help us reach out!
- Fundraising – Do you have a desire to help provide valuable camp experiences to deserving underprivileged children? Camp Weaver's "Send a Kid to Camp" scholarship fund allows children whose families are unable to afford camp to attend our fun and meaningful programs. We have an annual campaign kickoff in February and need volunteers to help prepare for this important event. This task might entail making phone calls, assisting to collect donation items for our charity silent auction, setting up the event at a local hotel in Greensboro, etc.
- Gardening – Camp Weaver is fortunate enough to have a beautiful Organic Garden on site; we always need help tending to our garden. Do you enjoy the outdoors? Would you like to help maintain this unique outdoor education learning tool?
- Photography – Do you enjoy photography? Would you like to build up your portfolio by taking photos on a beautiful 100 acre camp? We are constantly collecting shots of our facilities and events to be used for marketing materials. Your photos could end up on our website or in our brochures which are circulated throughout the state.
- Office Skills – Our business office runs year round. Would you like to gain valuable business skills? Assisting in the office would require you to be proficient in working with computers. We usually need help with data entry, scanning, filing, organizing, etc.
- Landscaping – Since we are located on a 100 acre camp there is always some sort of landscaping we need help with. Would you like to help maintain our grounds?
- Kitchen Help – During our group services season we provide meals to the majority of our visitors. The kitchen staff could always use an extra hand setting up for or cleaning up after meals.

Hours for volunteer opportunities are flexible. We are willing to work with your schedule.

If you are interested in learning more about any of our volunteer opportunities please contact Allison Shelnut by calling our main office: 336.697.0525 or by emailing: allison@campweaver.org
