

**YMCA Camp Weaver
Clinic Choices**

Every day campers will participate in three "clinics" skill building activities each morning. These three clinics will be the same throughout the week.

Please mark down your top six choices as "1st choice, 2nd choice, etc."

- Although these morning activities will remain the same throughout the week, campers WILL have the opportunity to go to different activities each afternoon, even if they are not chosen on this sheet.

Camper Name: _____
