In order to make sure that our staff are training to respond in an emergency, this week we may host at least one "surprise" emergency drill for our staff to respond to. We strive to be sure that our weekly safety drill does not have an impact on your camper's overall experience, and will be done at a time that least impacts your camper's activity time. Thank you!

### Pick up/Drop off:

A weekly password is mandatory to pick up your child. Passwords are confidential and have to be used by anyone authorized to pick up your child.

**Weekly Password:** \_\_\_\_\_

**Your Camper's Counselors:** \_\_\_\_\_

### Early Pick-Up:

Please call our office at 336.697.0525 at least two hours prior to pick-up time if you would like to pick-up your child early from camp. There is no pick-up from 4:00-4:30 while campers wrap up their activities schedule.

### Swim Check Information:

All campers must take a swim test on Monday. This test is used at all local YMCAs. Campers receive color-coded neckbands, which let lifeguards know which water activities each camper is approved for.
