- Please keep one half of this sheet for your records at home and send the other side with your camper in his or her suitcase. This will be an easy way for your camper to ensure they bring home all items.
- The following items are not allowed at Camp Weaver: knives, firearms, water guns, fireworks, cell phones, CD players, iPods, trading cards, jewelry. Please make sure items have no offensive logos.
- All clothing and personal items should be marked with your child's name. Name tape and clothing stamps can be bought at the Sterling Name Tape Company: www.sterlingtape.com, 1-800-654-5210.
- Do not send expensive or favorite clothing to camp. We prefer play clothes because there are activities at camp where items could be stained. Long pants and boots (or sturdy tennis shoes) are required for horseback activities. Tennis shoes are required for skateboarding and ropes activities.
