*technology: camp does have wifi and cell service. We recognize that we can't entirely escape technology and that it can be beneficial in building relationships. We just ask that you be mindful of your technology use and understand too that some camp activities are inherently dangerous to technology.

All cabins have outlets but every bunk may not have access to a plug, so a long charging cord may be helpful.

The Following Items are not allowed at Camp Weaver: Tablets, knives, firearms, water guns, fireworks, iPods, trading cards, jewelry, etc. Please make sure clothing items have no offensive logos. "Play Clothes" are recommended. Closed-toe shoes are required for sports and ropes activities.
